Downers Grove, Ill. — *Consulting-Specifying Engineer* has announced the recipients of the 2018 40 Under 40 award. This award is given to 40 nonresidential building industry professionals age 40 and younger who stand out in a host of personal and professional aspects in their lives. To read a profile of each winner, visit [www.csemag.com/40under40](http://www.csemag.com/40under40).

Candidates were nominated by a professional colleague or mentor and judged by industry experts based on nine areas including their commitment to superiority in their academic, professional, personal, and community involvement. In the May edition and online, *Consulting-Specifying Engineer* honored each of these young professionals, highlighting qualities that lead him/her to sustained success, recent professional projects, and personal achievements. Winners will be presented with their award at a ceremony in Chicago on Wednesday, Oct. 3.

“This year’s 40 Under 40 winners are versatile, experienced, ambitious, and inspiring,” said Amara Rozgus, Editor-in-Chief of *Consulting-Specifying Engineer*. “Now in its eleventh year, the program continues to honor the best in the industry. And it’s more competitive each year—these winners really were stand-outs in a crowded field of nominees.”
